**Marine Electricals (India) Limited received Raksha Mantri's Award for Excellence for Innovation /Technological Breakthrough under Category Medium Scale Enterprise.**

**Mumbai, October 21, 2022:** Marine Electricals (India) Limited (NSE: MARINE), an integrated technical solution provider in the field of electrical automation, has received Raksha Mantri's Award for Excellence for Innovation /Technological Breakthrough under Category Medium Scale Enterprise.

At a special function held at DefExpo 2022, Gandhi Nagar, Gujarat on 20<sup>th</sup> October, 2022, the award was handed over to CDR Rajeev Malhotra Chief Operating Officer, Marine Electricals (India) Limited by Shri Rajnath Singh, Hon'ble Defence Minister in presence of Shri Ajay Bhatt, Hon'ble Minister of State for Defence.

Marine Electricals (India) Limited have been dedicatedly working in the electrical field for supply and installation of distribution, control and navigation systems for ships, particularly in the Defence segment. For last 45 years, we have been thriving to develop indigenous systems to ensure self-reliance and Atmanirbhar Bharat.

Commenting on the significant moment, Mr. Vinay Uchil, Chairman & Executive Director of Marine Electricals (India) Limited said “We are honoured to receive this award and are thankful to the Indian Navy, Indian Coast, and the Shipyards for giving us opportunity to serve our Nation. We have been dedicatedly working to give our best efforts to design innovative systems and solutions for the defence industry and contribute to Make in India campaign. This award is a recognition of our belief and commitment to continuously deliver differentiated services and exceptional outcomes,”

**About Marine Electricals (India) Limited:**

Marine Electricals is one of the leading players offering comprehensive electrical solutions to Marine Segment as well as other Industries.
